

Dragon Riders of The Realm

Fifteen-year-old James and his best friend, Kevin, continue their adventures in *Caves of Conquest*, book two of the Dragon Riders of The Realm series.

It's the summer before high school and James' neighborhood is still being harassed by vandalism, including his very own house—again! Find out how the culprits get caught. Other summer highlights include Youth Camp, a family vacation, and, of course, journeys to and from The Realm of Lasting, the land of dragons and demons, and all sorts of creatures who live in the forest and fields...and caves.

Jessie and Christopher join their brothers for more high adventure, including intense battle scenes with dragons that push each of them to the limit, as the battle between good and evil rages on.

James and the group wind their way through the Caves of Conquest in order to fulfill the missions Ransom has given them, to share the Scrolls and Quills with creatures under Resvil's sinister reign. Along the way, they reunite with many of their dragon friends and other creatures in The Realm from book one.

As they learn and grow in courage led by their faith, the group realizes that they also have a mission in their "real" lives, too. Find out what it is as you join them on their summer adventures.

Issues such as bullying, witnessing, and treating others with kindness are covered.
